**SERIES 768. FLAT  
'BRIGHTS' SABLE  
MIXTURE**  
From: £3.08

A mixture of sable and synthetic mixed together to perhaps offer the best of both worlds. Short Flats allow a much sturdier brush with a stronger "snap" creating sharper edges and control. Ideal for blocking in and impasto.

**SERIES 401. POINTED  
SABLE MIXTURE**

From: £2.13

A mixture of sable and synthetic mixed together to perhaps offer the best of both worlds. The larger rounds are brilliant for laying on colour whilst the smaller rounds are ideal for finer detail.
